

New Laboratory Class in Summer 2024!

Sustainable Aquaculture Laboratory

(MBIO 361L, 2 Credits, Monday to Friday 1-5 pm,
Summer Session I: May 28 - June 21)

Join us to learn about the science behind sustainable aquaculture including techniques in fish/shellfish biology, microbiology, and marine biotechnology. The course will be taught at the Colwell Center, including hands-on experience in the state-of-the-art environmentally responsible Aquaculture Research Center.

Questions? Please e-mail saito@umbc.edu or twong@umbc.edu
